

General Assembly

January Session, 2001

Proposed Bill No. 89

LCO No. 420

Referred to Committee on Judiciary

Introduced by:

SEN. SULLIVAN, 5th Dist.

AN ACT CONCERNING THE DNA DATA BANK OF CONVICTED OFFENDERS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 That section 54-102g of the general statutes be amended to require
- 2 any person convicted of a violent felony to have a sample of such
- 3 person's blood taken for DNA analysis and to require the identification
- 4 characteristics of the profile resulting from the DNA analysis to be
- 5 stored and maintained in the DNA data bank.

Statement of Purpose:

To assist law enforcement agencies in correctly identifying criminal suspects and exonerate persons wrongly accused of the commission of a crime by expanding the DNA data bank to include DNA samples from all convicted violent felons.
